EASTERN DISTRICT OF WISCONSIN**

In re Asbestos Products Liability Litigation (NO. VI)

MDL 875

**JEANETTE MORRIS, individually and as
Personal Representative on behalf of the
Estate of Michael Morris,**

Plaintiff,

-vs-

Case No. 94-C-216

CBS CORPORATION,

Defendant.

DECISION AND ORDER

On August 2, CBS Corporation filed a motion to reconsider the Court's recent Decision and Order regarding pre-trial proceedings and dispositive motion practice. The basis for this motion is a recent decision by the MDL-875 presiding judge directing counsel to show cause why new scheduling orders and briefing schedules should not be entered in the "CVLO-3 Group," of which this case was included prior to remand. This order has no bearing on pre-trial proceedings in the instant case because the order was entered after this case was remanded in a trial-ready posture.

CBS's motion for reconsideration [ECF No. 102] is **DENIED**. On **September 10, 2013 at 11:30 a.m. (CST)**, the Court will initiate a telephonic conference call to schedule this matter for trial.

Dated at Milwaukee, Wisconsin, this 20th day of August, 2013.
